**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please take consideration on stopping big business to take over the broadband service and help our small broadband businesses. Especially for small rural communities that our serviced by these competitive DSL businesses. We have all learned about Bigger is not always better. Just look at what happened with the real estate big lending companies that effected our economy so drastically. Please reconsider in stopping AT&T and other larger companies effect our internet and telephone services.

Thank You,

Vickie Horsch
